

Compactwood® Warranty

Compact Wood LLC warrants CompactWood® interior and exterior panels will not delaminate for 10 years. CompactWood® will not require any finishing or maintenance. Compact Wood panels will not mildew or be affected by insects. De-lamination must not be caused by damage due to improper installation, fastenings into the panel edge or chipping to the panel.

This warranty is limited to the replacement only of sheets or fabricated components deemed by CompactWood LLC to be defective and that were originally manufactured by CompactWood LLC. This Limited Warranty does NOT cover the cost of any labor or freight costs associated with any replacement or warranty claim.

It is important to follow Compact Wood's recommended usage and fabrication. Compact Wood, LLC does not warrant any damage due to misuse or extreme circumstances that might scratch, deform or chip panels.
