

AAPG Trim & Millwork

Custom interior and exterior trim, specialty moldings, and integrated architectural millwork per AWI/AWS.

AAPG architectural millwork, trim, and integrated casework in a completed project. Installation shown for reference; species, profiles, and finishes are as specified for each project.

PRODUCT OVERVIEW

AAPG provides comprehensive trim and millwork services for commercial, multi-family, hospitality, and residential projects, from concept through completion. Leveraging in-house engineering, detailed shop drawings, and precise material selection, AAPG delivers custom trim packages that align with architectural intent and industry standards. Capabilities include interior and exterior trim, specialty moldings, and integrated millwork coordinated with casework, wall panels, and doors. Reference specification: Section 06 22 00 – Millwork.

Reference standards	AWI/AWMAC/WI AWS
Grade	Custom or Premium
Materials	Solid wood, MDF, plywood, engineered
Finish	Factory or field
Fire-retardant	Available (ASTM E84 Class A)
Coordination	Casework, panels, doors

TECHNICAL DATA

Characteristic	Technical data
Scope	Custom interior and exterior trim, specialty and profile moldings, and integrated architectural millwork.
Standards	Fabricated and installed to AWI/AWMAC/WI Architectural Woodwork Standards (AWS).
Grade	AWS Custom or Premium Grade, as specified.
Materials	Solid wood, MDF, plywood, or engineered substrates, as scheduled.
Profiles	Standard and custom profiles per approved shop drawings.
Finish	Transparent or opaque factory finish, or field finish, as scheduled.
Fire-retardant treatment	Available where required by code, with an ASTM E84 Class A rating.
Engineering	In-house engineering and detailed shop drawings for coordination and approval.
Integration	Coordinated with adjacent casework, wall panels, and door assemblies.
Applications	Commercial, multi-family, hospitality, and residential interiors and exteriors.
Environmental limits	Deliver after wet work is complete; store in a conditioned space and acclimate prior to installation.
Warranty	Manufacturer's standard warranty against defects in materials and workmanship.

Products are fabricated to project drawings. Sizes, colors, finishes, and configurations are as scheduled and detailed for each Project.
